Only College in Tricity with NAAC A++ Grade

### Govt Home Science College gets A++ accreditation

Chandigarh: Government Home Science College was accredited with a CGPA of 3.56 out of 4 points and an A++ grade by the National Assessment and Accreditation Council (NAAC) on Thursday. This is a remarkable jump from the previous B++ grade in 2015 and A in 2016. As a result, the college now stands among the first in the city to be accredited with an A++ score.

NAAC gives its score based on seven indicators and PU has garnered more than 95% in almost all the metrics of NAAC.

Shabana Bhatija, assistant professor, in charge of innovation, entrepreneurship and placement cell said, "Several factors contributed to the achievement, like increasing entrepreneurship initiatives. Students have successfully

launched over 500 start-ups in the last five years. The college also encourages students to earn while they learn. Additionally, the food and nutrition department plays a vital role in educating the masses about nutritious consumption through workshops and biannual 'posham'.

College principal Sha Khatyal said, "We are proud of our students and staff members. TNS

## Principal's Desk

### *Dear Students*

It gives me immense pleasure to welcome you to Government Home Science College, which is one of the best professional colleges of its kind in Northern India. The college brings together a sound skill oriented curriculum that specifically focuses on professional and personal grooming of the students along with extensive student support mechanisms.

It would be a privilege for everyone to be part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners and focus on fostering a culture of **participative and experiential pedagogy**. This is achieved through **blending traditional classroom teaching with hands on skill training, learning by doing, presentations, assignments, field visits, internships and research work**. The process creates an **ecosystem of innovation and entrepreneurship**.

It gives me immense pride to share that our esteemed institution has been awarded the prestigious **NAAC Grade A++ rating by National Assessment and Accreditation Council (NAAC)**. This accolade is a testament to the relentless pursuit of excellence by each member of our college community. NAAC has recognized our efforts in providing **high-quality education, outstanding infrastructure, progressive teaching methodologies, and impactful community engagement**.

I feel very proud to share that **our college topped amongst city colleges in NIRF India Rankings fifth time consecutively in a row. The college has maintained its legacy of excellence by securing 52nd rank at National Level and topped amongst all colleges in Tricity, in NIRF India Rankings 2023 released by MoE, Government of India.**

The college has received many accolades for immensely contributing toward Eco-Sustainability, Swachh Bharat Abhiyan, and promoting Millet as a wonder grain. I wish you all the best for achieving great success and scaling new heights in the upcoming academic session.

*With Blessings*

*Principal*  
*Prof. Sudha Katyal*

# Profile of the College

Government Home Science College, a premier institute of the city, has lush green campus which is sprawled over **17 acres with 2, 79, 919.00 sq. ft. built up area**. It is endowed with well-manicured lawns, spacious lecture theatres, smart classrooms and State of Art laboratories which makes the workplace more conducive and eco-friendly for the teachers as well as students. Situated in the **midst of the city** on Madhya Marg, the institute lies in **close proximity to Panjab University, Chandigarh** as well as **office of Directorate of Higher Education, Chandigarh**, and ensuring seamless execution of all academic and administrative operations.

College is committed to the sustenance and promotion of an environment, favourable to the growth and development of an academic excellence, satisfying contemporary women's professional and specialized needs. It has achieved the prestigious **NAAC A++** grade in the recent assessment in August, 2023 by the **National Assessment and Accreditation Council (NAAC)**. This remarkable accomplishment reflects our unwavering commitment to excellence in education and our relentless pursuit of academic and institutional advancement. The **NAAC A++ grade** acknowledges our continuous efforts towards **holistic development, innovative teaching methodologies, research excellence, and effective governance**. It is a recognition of our collective vision to create a conducive learning environment that fosters **intellectual growth, critical thinking and entrepreneurial skills** among our students.

The college has maintained its legacy of excellence by securing **52nd rank at National Level and topped amongst all the colleges in Tricity, fifth time in a row, in NIRF India Rankings released by Ministry of Education, GOI**. For rankings, colleges were evaluated on the parameters of **Teaching Learning and Resources, Graduation Outcome, Perception, Outreach and Inclusivity and Research and Professional Practice**. The college has featured among the **top 55 colleges of India in the last two years and top 100 colleges in the last five years** consecutively. **It is the only college in Tricity which could achieve such a distinguish feat**. This recognition stands as a testimony to the skill oriented education, cutting-edge research and innovation based courses provided by the college for the holistic development of the students at large.

In consonance with the guidelines of **National Education Policy 2020**, the vision and mission of the college is to equip the students with market driven skills, focus on research and nurture innovation to develop an entrepreneurial ecosystem. The rationale is to bridge the gap between **skills required by the industry and the skills students acquire during their academic training in the institute**. The college's undergraduate, post-graduate, and diploma courses are designed to meet the marketplace's challenges, demands, and changing technologies. The curriculum of the college addresses **specialized professional needs** of contemporary women by **enhancing their higher order cognitive capacities, critical thinking and fostering the unique capabilities of each student**.

These different areas of specialization also concentrate on providing suitable training to the students for various job opportunities. **The trained graduates and postgraduates are absorbed as dietitians in hospitals, industrial units, hotel industries, and health/ fitness clubs. They also work as special educators, teachers, counsellors, sales managers, apparel & interior**

**designers, consultants and field workers in extension education and community development programmes.** Thus, Home Science empowers women at personal, professional, social, entrepreneurial and economic fronts.

**College is an approved Research Centre for Ph.D. in Home Science** and envisages a robust ecosystem for promoting research and innovation. In this direction, the college has set up a New Multimedia Research Block, E-Pathshala, E-lounge, State of the art Laboratories and Fully Automated Library with access to e-journals.

The **participative and experiential pedagogy** is an integral part of the teaching learning process wherein the faculty integrates heterogeneous/innovative teaching methods such as **hands on skill training, internships, field visits, and research work.** The process results in creating an **ecosystem of innovation and entrepreneurship.** To make young generation more imaginative, innovative, ingenious, proactive, pioneering, prospect oriented, college continuously strive towards developing entrepreneurial abilities by motivating the **budding entrepreneurs to undertake their own start-ups.** Students are given full assistance to prepare, produce, sell and nurture their micro enterprises. In this direction, the college has installed a **Swavalamban Corner – a first of its kind on the campus for display and sale of student’s products.** Thus, keeping in mind the goals of NEP 2020, **creativity, innovation and entrepreneurship** remain at the heart of all such activities.

The College also runs a **laboratory Nursery School, Chaitanya, with 75 students on rolls, under the Department of Human Development to impart practical training to its students.** The other major departments of Home Science are also having well-equipped State-of-the-Art laboratories.

The beautiful spacious college and hostel buildings offer a peaceful, serene yet stimulating environment to the students. The college has rich **indoor and outdoor sports and fitness facilities** which cater to students of all aptitudes and abilities. The faculty comprises of highly qualified and experienced members, instrumental in imparting a high standard of education to its students. The faculty also participates in national and international conferences, seminars and workshops. They are also contributing in various technical and professional bodies related to Home Science.

The college offers facilities for academic excellence, cultural enrichment and physical fitness of the students to build a multifaceted personality and prepares them to face the challenges that lie ahead. The institute aims to prepare young girls into a skilled human resource with rich moral and social values who can give their best for the national development.

In keeping up with the **Sustainable Development Goals of United Nations (2030 Agenda),** the institute has made efforts towards creating environmental consciousness and sustainability. College also works intensively in **advocating, supporting and promoting GOIs flagship program like ‘Aatma Nirbharta, Vocal for Local, Make in India and Poshan Abhiyaan’,** which are the best practices of the institute, thereby, preparing young girls into a **skilled human resource** with rich moral and social values to make them **employment generators rather than employment seekers.**

Reservation of seats in different categories viz, Sports, Scheduled Castes, Scheduled Tribes, Physically Challenged Persons, Wards of Freedom Fighters, Wards of Defence and Paramilitary Personnel and Economically Weaker Section will be made in accordance with the rules and instructions framed by the Chandigarh Administration, whereas in case of Wards of Kashmiri Migrants and Kashmiri Pandit/Kashmiri Hindu Families (non-migrants living in Kashmir Valley), Victims of November 1984 Riots and Terrorism, Kargil Martyrs, Single Girl Child/ One out of Two Girl Children, Cancer/ AIDS/ Thalassaemia, Rural Area Students, Students from Jammu & Kashmir, Border Area Students and Excellence in Youth Festival will be made as per instructions issued by Panjab University, Chandigarh from time to time.

### General Information:

Every candidate applying for admission against reserved seats, belonging to any category, could also be considered for admission against the open seats of the respective quota, as per her merit. Depending on her preference for a college/course, a candidate may take admission against her reserved category or against the open category.

Any candidate who applies in more than one reserved category will be considered in each reserved category in which she applies for admission, maintaining her internal seniority in each reserved category on the basis of merit in that category. In such a case, the candidate will get the benefit in one category of her choice.

In case, seats belonging to any reserved category (except for additional seats) remain unfilled for want of eligible candidates, the same may be filled from amongst open category candidates belonging to the same quota.

As per Letter no. 19/1/93/IH (3) 5311 dated 18th March, 1999 from Home Secretary, Chandigarh Administration, the following policy shall be followed w.r.t. reservation of seats:

60% seats of the total sanctioned intake of an institution (after excluding Sports reservation) will be filled up from amongst the students who pass their qualifying examination from schools/colleges recognized by the Chandigarh Administration and situated in the Union Territory, Chandigarh, as regular students of the said school/college, which will be termed as UT Pool.

The remaining 40% seats (after excluding Sports reservation) will be filled from amongst students, who pass their qualifying examinations from institutions other than those located in the Union Territory, Chandigarh or otherwise, which will be termed as General Pool (Outside Pool).

### NOTE:

- **UT Pool Candidates:** Those who have passed lower qualifying examination as regular candidates from schools and colleges in UT, Chandigarh.
- **General Pool (Outside Pool) Candidates:** Those who have passed lower qualifying examination from schools and colleges outside UT, Chandigarh.

Amendment, if any, in the reservation policy of Chandigarh Administration/ Panjab University, Chandigarh will be followed up to the date of admission for each course.

## DIET CLINIC

The Diet Clinic, established by the Department of Foods and Nutrition, provides free nutritional counselling on the college campus. With the goal of meeting the nutritional needs of all segments of society, it provides insight into running a diet clinic, conducting a diet counselling session, and gaining first-hand experience in an entrepreneurial setting. Aside from weight reduction and control counselling, diets are developed for clinical problems and healthy eating patterns for all age groups. It also teaches students how to utilize Diet Cal software to calculate dietary intake and the nutritional value of items. It is a free, voluntary program provided by the Department of Foods and Nutrition that operates both online and offline.

## CAFETERIA

As part of the curriculum, the Department of Foods & Nutrition operates a cafeteria once a week under Institutional Food Service Management. The operation of the cafeteria promotes entrepreneurial skill development and capacity building among students. Low-cost nutritional dishes are developed and prepared in the laboratory, and sales are held at the college. The cafeteria's activities include standardizing, developing, and organoleptically evaluating value-added recipes. The cafeteria seeks to provide students with first-hand practical experience in running a food service institute and motivate them to launch their own ventures.

## HOME SCIENCE FEST

Every year, the college hosts a Home Science Fest on campus to retain the spirit of the core tagline, 'Earn while you learn.' Home Scientists, as young entrepreneurs, demonstrate their abilities and talents by setting up a variety of stalls and selling their innovative items. These stalls highlight the students' artistic, creative, and marketing abilities that they develop during the year. The Fest provides a platform for our college students to improve their entrepreneurial talents and gain first-hand experience running a start-up. During the festival, budding entrepreneurs from the college who establish their start-ups in the digital realm are encouraged through felicitation.
