Bio Metric

A biometric attendance system consists of a biometric device which captures the daily attendance of employees by scanning their fingerprints. The scanned fingerprint is mapped out on the basis of various coordinates defined within the software, which then accurately identifies the fingerprint. It keeps a track of the check in and check out timing of employees in the premises. It was opted in 2019 in Government Home Science College.

Website

College Website: The website acts as a mirror of the college activities and information about all activities, important notices, etc. are made easily available to the outsiders.

FINANCE AND ACCOUNT

IFMS

IFMS (Integrated financial management system) is an IT based budgeting and accounting system that manages spending, payment processing, budgeting and audit. It bundles many essential financial management functions into one software suite. It is developed by NIC Punjab. PFMS is used to monitor fund flow and track college funds disbursement. Composite Financial Accounting System (CFAS) is an integrated ICT system being implemented for Chandigarh Administration. It monitors the complete workflow of the Government Financial System starting from Budget allocation to Expenditure by DDO. Complete system for online transfer of funds to beneficiaries (employees, contractors, vendors, retired employees) has been successfully implemented across the Administration, which is well integrated with SMS and email facility for the convenience of the beneficiaries. It was opted in 2016 in Government Home Science College. The expenditure is done by Chandigarh administration to all offices.

Composite Financial Accounting System
(SEVAARTH)
Chandigarh Administration

Welcome to Sevaarth

Sevaarth is a centralized web based, integrated system of Personnel Information & Payroll, developed by NIC It is an important component of IFMS (Integrated Finance Management System) with facility for data exchange with other modules of IFMS, namely Treasury NET and BEAMS (Budget Estimation, Authorization & Monitoring System)

The Payroll software is rule based. By defining rules properly in the Reference files, paybill can be generated for any State, any Pay Commission, without any change in the source code

The software has been customized to take care of employees from more than one state e.g. in case of Chandigarh, they have employees from Haryana, Punjab, Himachal Pradesh, Goa etc , all having different pay rules and rates

3. ANNUAL E-GOVERNANCE REPORT APPROVED BY GOVERNING COUNCIL

2017-18

ANNUAL e-GOVERNANCE REPORT 2017-18

The college has a policy for implementation of e-Governance in various administrative and academic areas. This helps to accelerate functioning and development of the college, in terms of efficiency, transparency and reliability in order to promote paperless work and to strengthen the leadership of the college in the field of e-governance.

Implementation of e-governance in areas of operation

This helps to automate various activities of the institution in an integrated manner in order to enable transparency, clarity in different functionalities of the instructions pertaining to teaching learning (academics), administration, finance & accounting, student admission & support and examinations.

Administration

- **eHRMS Manav Sampada**

The college has **adopted eHRMS Manav Sampada since 2017 as per the direction of Director Higher Education**. Manav Sampada is an all-in-one portal for Human Resource Management Solutions (HRMS). It is used for filling APAR/APR of college employees.

The Performance Appraisal System (APAR) is an online process on the portal of eHRMS. The personnel submit the report as per the given performa available on the portal. Principal assesses the staff based upon the prescribed criteria. The system is totally transparent and the official is responsible for the details of his/her performance evaluation. Grievances, if any, by the staff are duly addressed by the concerned officials.

e-**Sevaarth** is a centralized web based, integrated system of Personnel Information & Payroll, developed by NIC. It is an important component of IFMS (Integrated Finance Management System). **It is being used since 2013 in the college**. Through this portal, college employees can check their GPF status online on official website of Principal Accountant General (A&E), Punjab, Chandigarh.

- **INFLIBNET**

Information and Library Network (INFLIBNET) Centre, was subscribed in 2017 in college to provide e-resources to staff and students. This enables the users to have access to information regarding books, journals, thesis and web resources.

- **Website**

College website is put in to full use for providing vital information to all the stakeholders. Communications, circulars and notices are made available on website to ensure the access of information any time anywhere.

- The college website domain name registration, website hosting and website maintenance and support services have been procured from Ink Web Solutions, Chandigarh.
- Time to time, teaching and non-teaching staff members were encouraged to attend ICT training programmes conducted by the College and Chandigarh Administration.
- They were also encouraged to practice use of various computer software during their free times to make them IT savvy.
- To promote paperless work, all the communications with the Administration and University were done through email.
- To encourage paperless work, all the invites for various competitions and functions were sent through e-cards.

Finance and Accounts

- The college **maintains transparency** in its financial management through **strategic planning** and a **regularly audited account** of its income and expenditure.
- **IFMS** (Integrated financial management system) is an IT based budgeting and accounting system that manages spending, payment processing, budgeting and audit. It monitors the complete workflow of the Government Financial System starting from budget allocation to expenditure by DDO. **It was adopted by the college in 2016.** All the payments were made through the **Public Finance Management System (PFMS).**
- **Government e-Marketplace (GeM)** was used for procurement of all common use goods and services required by the college. **It was adopted in 2016 by the college.** To enhance transparency and efficiency in the realm of purchases made by the institution, all major purchases were done through **Government e-marketing (GeM) portal** and quotations for prices were diligently corroborated before purchase.
- **e-Sampark** was initiated to encourage online submission of fees by students. This centre, started by Chandigarh Administration, is to bring together the services of all the departments under one single umbrella and give citizens of Chandigarh a "multi-service" - "single-window" experience. The students submit their college fees using this interface. **The service of e-Sampark is being utilized since 2016 in the college.**

Student Admission and Support

- **Director Higher Education website**

Chandigarh Administration has taken initiative to accept online application forms for admission to all Under-Graduate and Post-Graduate courses in Government Colleges. For the convenience of applicants, they have to **apply online only; no offline application submission mode is available.
