Subject: Information of grant money of 'Best Herbal Garden Award'

Respected Madam,

Warm greetings!

This is in continuation of your esteemed College Herbal Garden being selected as 'Best Among Top Five' in the city. And as you know besides the trophy, merit certificate this award also carries Rs. 5000/- by Medicinal Plants Board of U.T., Chandigarh, which was transferred through this NGO to your account by cheque no. 27726 dated 14/5/21 drawn on Canaan Bank, Chandigarh. A line of acknowledgement will be highly appreciated.

We hope and wish that with passage of time this association of ours will deepen further and grow more.

With best regards,

pramod sharma
coordinator, yuvsatta

Sub:- MGNCRE-MoE GOI –Director Higher Education– Swachhta Action Plan – on 23.8.2021 Reg.

Dear Principal ji,

Greetings from Swachhta Action Plan Project in Ministry of Education Government of India!

At the outset, Ministry of Education congratulates your esteemed institution for being recognized as a Swachh Institution! We value the association with your esteemed Institution. At the behest of your Director Higher Education and Ministry of Education in Government of India we invite you for a **one - hour online Workshop** as part of Swachhta Action Plan on **23.8.2021**. The Workshop details: **Time:** 10:00 am **Date** 23.8.2021 **Meeting Link** <https://meet.google.com/txy-bsqh-mjv>

As part of the preparation, we request you to form **5 Swachhta Action Plan (SAP) Faculty-Student Teams in your Institution separately for Water, Sanitation, Waste Management, Water Conservation and Energy Conservation**. On completion of the workshop and action plan we will be issue a Recognition Certificate of being a SAP Institution. Your Institution will also be eligible for **2021-22 competition at District level** for being **Best District SAP Institution**.

We invite you to participate in this online workshop and make best use of the online programme.

Thanking you,

Yours sincerely,

Dr. W G Prasanna Kumar
Chairman MGNCRE

Memo No. 5736

Dated: 15/6/2016

Subject: Provision of solar panels of rooftop of college.

On the subject cited above, it has been reported by the S.D.E. C-11 letter No.185-186 dated 10.6.2016 addressed to you with a copy to this office that the work

of fixing of solar panels on the rooftop of your college building is being carried out without any intimation to this office. It has further been reported that panels are being fixed at a very low height from the roof and adequate space has not been left for maintenance of roof/tile terracing. It may create trouble for carrying out the repair work at a later stage.

You are, therefore, requested to take up the matter with the agency, who is carrying out the work of solar panels, for raising the height of the solar panels from the roof, so that there may not be any problem for carrying out the repair work at a later stage.

Sector 19-B, Madhya Marg, Chandigarh.

Memo No. GHSC-10/CT-I/2016 1416-17
Dated Chandigarh, the 27/7/16

Subject: Request for installing of Solar Power Plant on College Hostels & Principal Lodge.

Sir,

Reference on the subject noted above.

It is hereby submitted that our college Hostels (B.Sc. and M.Sc.) and Principal's Lodge requires the Solar Power Plant because of the following reasons:

- Erratic functioning of already installed Solar Geysers in the hostels as it causes inconvenience to the hostlers.
- The college has to bear the burden of exorbitant electricity bills which amounts to on an average of more than 1.5 lacs for 2 months and due to paucity of funds it is difficult to pay enormous Electricity bills.
- Moreover, college promotes Eco-friendly environment for teaching and learning which is surely going to be supported by Solar Power Plant.

College is due for NAAC accreditation. So, our case should be taken on priority basis and a visit by your concerned officials may help to expedite the process.

Thanking You.

Dear Sir,

This has reference to the PO- GEMC-511687755096695 dated 01.03.2019 for the supply of organic waste composting machine model 24-50 for the capacity of 50-75 kg per day.

Following points are mandatory at the time of installation of compost machine.

- Power Supply- 3 Phase, 4 Kw
- Proper Shed of size- 5 mtr. x 4 mtr. x 3.5 mtr., closed from all side with proper ventilation and entrance gate of size 1.5 mtr. x 3 mtr.
- Proper Earthing
- MCB-4 Pole 16 amp
- Wire-4 core 2.5 mm square
- Length according to machine distance
- Exhaust Drainage to sewage
- Please find the enclosed layout for more details required for installation for the compost machines.

When all these points fulfill by you, kindly confirm the same.

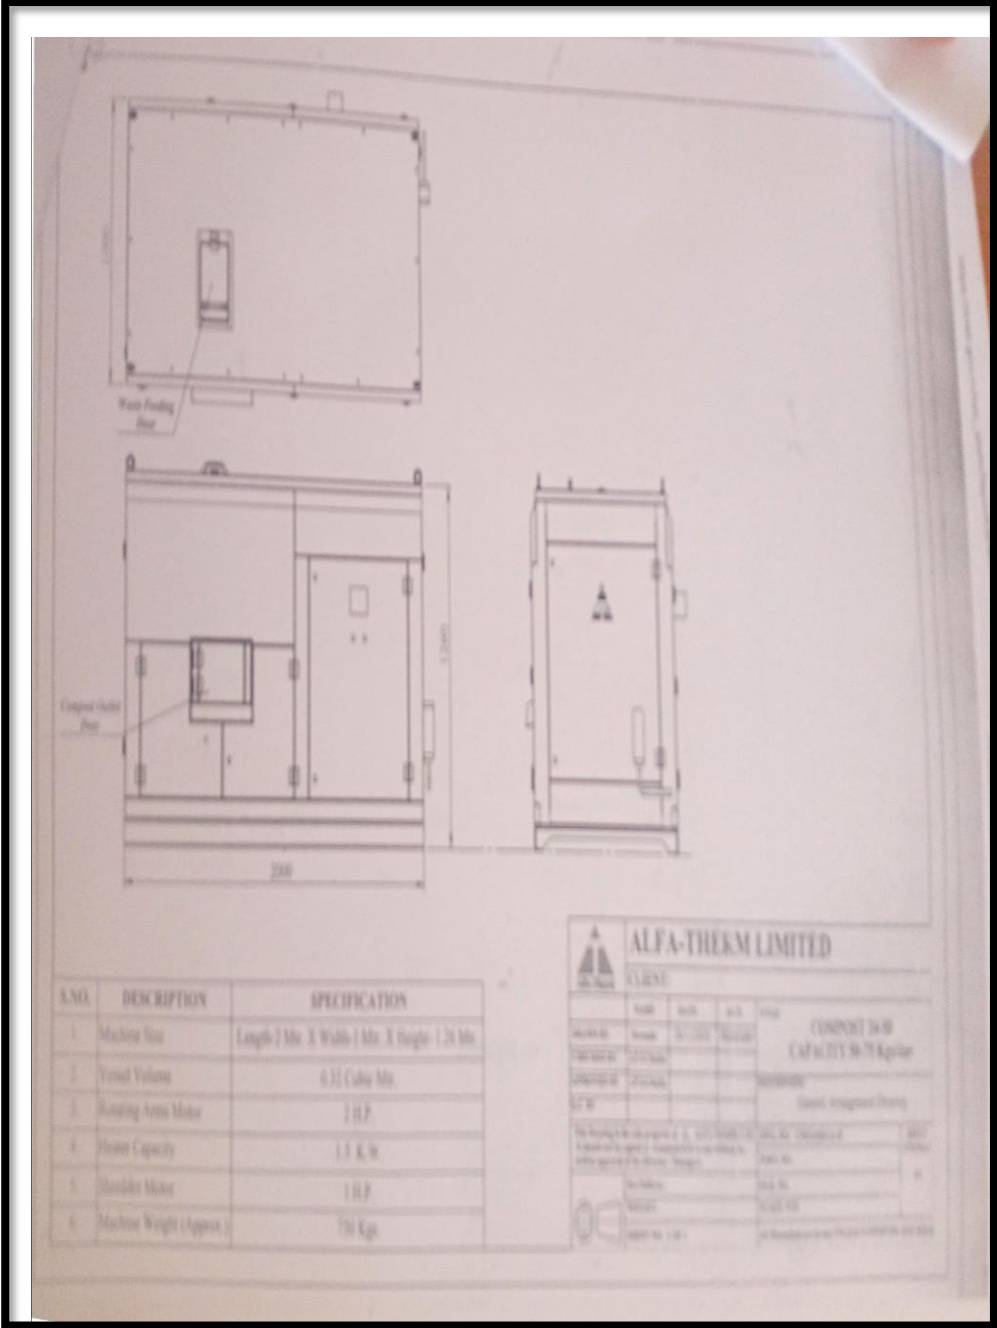

Thanks & Regards
Neha Kapoor

Memo No.W2/2017/20342
Dated, Chandigarh, the 06/11/17

Subject: Rough Cost Estimate for the construction of proposed multimedia block to be constructed under Rusa Grant at Govt. Home Science College Sector-10, Chandigarh

The estimate (in original) in the amount of 1,33,91,000/- (One crore thirty three lac and ninety one thousand only) for the work cited as subject is sent herewith for according administrative approval and arranging funds. The beakup of estimate given as under:-

1.	Building portion	Rs. 71,82,980.00
2.	Provision for Ramp & Stairs	Rs. 4,00,000.00
3.	Provision for SPV (Solar Power Plant)	Rs. 15,00,000.00
4.	Provision for P.H. Services	Rs. 6,46,468.00
5.	Provisions for E.I Services	Rs. 8,97,873.00
6.	Provision for Automatic fire alarm System with sprinkler system	Rs. 3,51,488.00
7.	Provision for solar Water Heating system	Rs. 3,00,000.00
8.	Provision for A.C system	Rs. 5,00,000.00
9.	Provision for Projector, LED Screen, Computer & Internet	Rs. 4,00,000.00
10.	Provision for reception table, telephone/intercom & computer	Rs. 1,50,000.00
11.	Provision for chairs	Rs. 6,72,000.00
	Total	Rs. 1,30,00,809.00
11.	Add 3% contingency	Rs. 3,90,024.00
	Total	Rs. 1,33,90,833.00

Say Rs. 1,33,91,000/-

Necessity for the preparation of the estimate has fully been explained in its report. The Rough Cost Estimate for the work shall be chargeable to relevant head of account as under.

i)	Deposit Work	Rs. 70.00 Lac.
ii)	4202-CO-Plan U&O.H.E	Rs. 63.91 Lac
	Total	Rs.133.91 Lac

The first instalment amounting to Rs.30.00 Lacs may please be deposited with the Executive Engineer C.P. Divn No.1 so that the necessary action could be taken accordingly.

The original copy of the Rough Cost Estimate may please be returned to this office duly countersigned by the competent authority alongwith the administrative approval.

It may further please be ensures that above dispatch number and date of this office should be quoted in all further correspondence in respect to this scheme to avoid duplicacy.

Please acknowledge receipt.

Plan of Multi Media research block

SECTION A-A

PLAN

SPECIFICATIONS

1. EXPOSED R.C.C. STRUCTURE SUCH AS COLUMNS, STAIRCASE SOFFITS, BEAMS, SLAB SOFFITS, FACIA SHALL HAVE EXPOSED R.C.C. FINISH WITH SHUTTERING PATTERN.
2. EXTERNAL WALLS SHALL BE IN FAIR FACED EXPOSED BRICK FINISH.
3. ALL SANITARY, RAIN WATER AND ELECTRICAL PIPES SHALL BE SUITABLY ENBEDDED IN WALLS / R.C.C. COLUMNS OR PROVIDED IN DUCTS.
4. ALL JOINERY (I.E. DOORS / WINDOWS / VENTILATORS SHALL BE OF APPROVED QUALITY AND SHADE U-PVC AS PER THE SIZE AND SCHEDULE OF OPENING AND SOUND INSULATED WHEREVER NECESSARY.
5. FLOORING
- 5.1. VERANDAH, LOBBIES, CORRIDOR/CIRCULATION AREAS, STAIRCASES & MULTIMEDIA ROOM SHALL HAVE APPROVED QUALITY AND SHADE MARBLE/GRAHTE FLOORING AS PER FLOORING PATTERN.
- 5.2. ALL TOILETS SHALL HAVE APPROVED QUALITY, SIZE AND SHADE ANTISKID CERAMIC TILE FLOORING.
- 5.3. ALL TERRACES SHALL HAVE APPROVED QUALITY AND SIZE SOLAR REFLECTIVE TILE FINISH AS PER DETAIL.
6. SENSOR BASED ENERGY SAVING ELECTRICAL FITTINGS AND FIXTURES SHALL BE PROVIDED WITH THE LATEST TECHNOLOGY.
7. PROVISION OF PROJECTOR, LED SCREENS, COMPUTER & INTERNET OUTLETS AS PER LATEST TECHNOLOGY SHALL BE MADE AS PER CLIENT REQUIREMENTS.
8. PROVISION OF SUITABLES AC SYSTEM TO BE MADE AS PER CLIENT REQUIREMENT.
9. RECEPTION TABLE SHALL HAVE PROVISION OF TELEPHONE / INTERCOM AND COMPUTER CONNECTION AND RELATED ACCESSORIES.
10. PROVISION SHALL BE MADE FOR RAIN WATER HARVESTING SYSTEM AND SOLAR WATER SYSTEM.
11. 2" Ø PIPE RAILING IN STAIRCASES AND PARAPETS SHALL BE OF CHROME PLATED STAINLESS STEEL PIPE.
12. FIRE DETECTION AND FIRE FIGHTING SYSTEM SHALL BE PROVIDED AS PER THE ADVICE OF THE PUBLIC HEALTH DEPARTMENT.

Brief report of the facilities

Alternate sources of Energy and Energy Conservation

The college campus is fully harnessing renewable energy in terms of solar electricity and observed considerable cost reduction in electricity bills. With support from CREST, College has installed grid-connected rooftop solar photovoltaic power plant of capacity 190 kWp on the various college buildings:

- 90kWp rooftop SPV plant on the main college building
- 2x25kWp rooftop SPV plant on both old and new B.Sc. hostel building
- 30kWp rooftop SPV plant on M.Sc. hostel building
- 2x10kWp rooftop SPV plant on multimedia research block building
- There are energy efficient LED lights in main college building, hostel buildings, auditorium, Chaitanya Laboratory School, multimedia research block and Principal's residence.
- The college also has a facility of **electric bike** for commuters to DHE Office and other stakeholders.
- An '**Energy Saving Brigade**' comprising of students from different classes is constituted in the college in every session, that works towards spreading awareness about energy efficiency by the use of posters, NukkadNatak, signage etc. and also ensures that the lights, fans, computers and other systems on campus are turned off, unplugged or kept in power saving mode when they are not in use.

Management of the Various Types of Degradable and Non Degradable Waste

Various eco-friendly approaches were used throughout the year. Special efforts were put in by the college for reusing and recycling wastes.

- 8 Pits were dug near U.G and P.G hostels for collecting garden waste.
- The college has fully automatic Compost Machine (25-50 kg) for composting the kitchen & garden waste and the generated compost is later used in college campus lawns, gardens and plants as soil amendments and source of plant nutrients.
- Old/ used newspapers were collected and reused to make environment friendly paper bags and beautiful handmade sheets.
- The College has kept 3 different colored dustbins (i.e. Blue, Green and black) for collecting waste from all around the college campus & hostels.

Water Conservation -

Government Home Science College is continuously working on creating ecological and sustainable water management inside the college premises from time to time.

- Key sustainable features include Quantified water usage, water availability, rainwater harvesting, recycling of water from sewage treatment plant (STP), functional drainage systems.
- Approximately, Rs 42,44,000/- has been spent for providing & laying of SWD line & road gullies for disposal of rain water. The water is saved as the used water is diverted from drinking water points, wash basins; canteen sinks to water the plants in the campus.
- Tertiary Water is used for watering the trees & lawns. Approximately, Rs 10,53,000/- has been spend for laying of tertiary treated water lying.

Disabled Friendly and Barrier Free Environment

As per AIC guidelines regarding making all public buildings disabled friendly following facilities exist in the college premises

- Tactile vitrified flooring on ground and first floor of the main college building
- Tactile flooring in the Multimedia Research Block
- Disabled friendly washrooms
- Provision of ramps/slopes and hand rails on staircases
- Wheel chairs
- Reading corner in library
- Signages
