

## Feedback Analysis of 2020-21

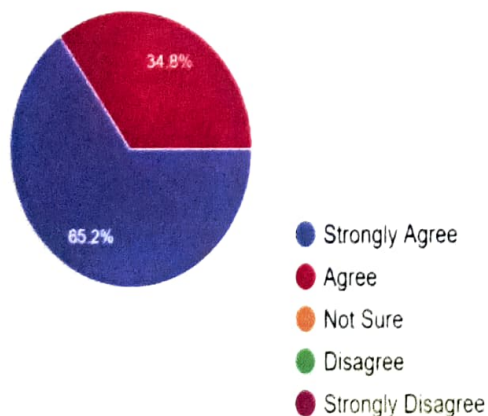

Feedback is an integral component for improvement in teaching learning process. It was collected from stakeholders- teachers, employers, alumni and parents. The suggestions received helped in providing enabling environment for students and teachers. Students' feedback is done under Students Satisfaction Survey.

In the year 2020-21 parents were requested to send feedback but due to Covid-19, satisfactory number of forms was not received.

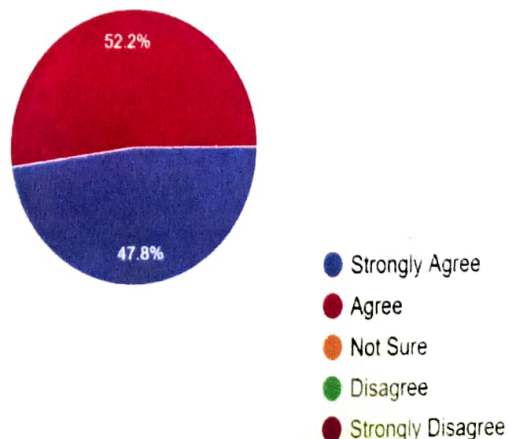

### **Teachers' Feedback Analysis**

Majority of teachers strongly agree that vision and aim of the college is reflected in its functioning. They also agreed that Principal is easily approachable and has a vision of building a bond with faculty. They also reported that enough opportunities are given to the faculty for academic and personal development. All the staff members were satisfied with the current syllabi as they found that, it is in sync with industrial requirement, provides sufficient employment and contribute to National development. Faculty stated that it make students self-reliant as well as impart entrepreneurial skills. They agreed that various academic and co-curricular activities inculcate universal values like co-operation, mutual understanding and righteousness among students. Faculty members were satisfied with the present infrastructure (classrooms, laboratories, equipment and supplies and ICT facilities). They also responded that steps were taken regularly for creating awareness about the environmental sustainability.

## Alumni Feedback Analysis

Majority of the students are working with private firms and a considerable number are working as an entrepreneur and free lancer. They were aware of social media platforms of the college like facebook page, instagram page, YouTube channel and keep an update with the same. Alumna rated the college as excellent and quoted following points as the unique aspect of college.

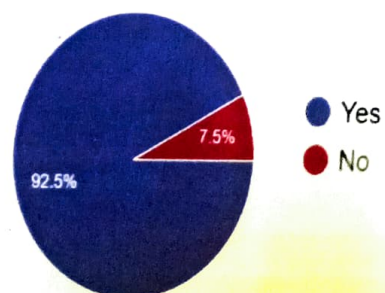

- Fashion shows & exhibitions
- Focus on both practical as well as theoretical knowledge
- Peaceful environment
- Expert and Supportive staff
- Inspiring mentorship and career guidance.
- Helpful teaching and non-teaching staff
- Focus on skill development

Maximum number of alumna said that course curriculum fulfills their expectations and various curricular and co-curricular activities organized by college were helpful in their overall development. They revealed that the education imparted at the college was very useful to them on personal as well as professional front. As per alumni feedback the college is functioning in excellent manner however improvements were suggested on certain parameters like improvement in infrastructure and maintenance of more cleanliness in college canteen. Some of them also suggested repairing of machines in college laboratories. They also suggested addition and updating of existing software meant for academic use. Also demanded more number of industrial visits and introduction of short term courses to expand the college academic profile. Overall, the alumni feedback towards the college was very good.

## Employers' feedback analysis

The employer's feedback was collected via the Google form. The majority of employers were satisfied with the students' expertise. They agreed that students have good moral and ethical values as well as communication skills. The feedback demonstrated the validity and adequacy of the curriculum. Few suggestions were reported by employers in redesigning the course content according to industrial demands.

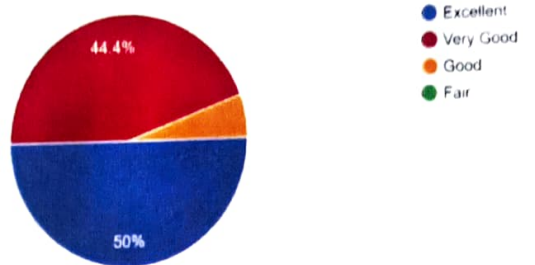

**Rating of students with respect to communication skills**

**Rating of students with respect to overall performance**

## Action Taken Report for feedback of session 2020-21

1. Conduct of hybrid classes for both online and offline students following all Covid protocols and timely preparation and upload and display of time table on all college notice boards and website.
2. To ensure timely completion of syllabus for all courses and prepare for upcoming mid semester and final semester examinations
  - Syllabus was completed timely with extra revision classes.
  - Mid semester examinations were conducted for all theory and practical subjects from November 6, 2021.
  - Final semester examinations have been postponed due to administrative issues and university teaching and non teaching staff on indefinite strike.
3. Online and off line skill building and enhancement activities to be conducted
  - The placement cell organized a Karwachauth & Diwali Mela on October 19, 2021 at the campus. A stall displaying Ganpatiji's, Torans and Floaters, decorative Diya's was put up by the students of the Department of Arts. The students from different departments put up various stalls which encouraged start up initiatives ranging from chocolates, muffins, sandwiches and other snacks to artificial jewellery, ornaments such as earrings, neckpieces, rings along with ceramic items and stylish bags. Mandala art paintings, suits & hand painted dupattas & bags were the centre of attraction. Post graduate students of Department of Foods and Nutrition served nutritious snacks such as Bhelpuri & grilled sandwiches, healthy muffins & chocolate cakes. A great response was received from all the stalls as they experienced a brisk sale and were sold out.
  - College actively participated in four day Virtual Summit TECH4SEVA organized by Vijnana Bharti (VIBHA), Unnat Bharat Abhiyan (UBA) and Centre for innovation and Bio Design (CiBiOD), PGIMER, Chandigarh from Oct 20- 23, 2021. The college exhibited it's virtual stall in this four day online expo based on the theme of 'Atmanirbhar Bharat', environmental friendly, and sustainable technologies, affordable health care and technology for good agricultural practices. The virtual stall of the college exhibited the seven different innovative startups run by the college students and alumna. The college stall attracted a large number of delegates out of the 24 total virtual stalls in the exhibition. Approximately more than 500 visitors visited the virtual expo.

- To nourish the creative potential, critical thinking and life skills of the students, college organized ' Literary Patchwork' 21 on October 30, 2021. To hone the artistic expressions of the students, various events such as poetry, short story, essay writing, elocution, as well as hand- writing competitions were organized. The rationale was to provide a platform to the students to showcase their talents. More than 150 students participated in various activities. The students recited their self- composed poems and presented their arguments English, Hindi and Punjabi respectively.
- The spirit of self-righteousness, integrity and honesty amongst the students was encouraged and inculcated through observance of Vigilance Week commenced with Integrity Pledge on 26-10-2021; Poster Making Competition, Essay Writing Competition & Elocution on 28-10-2021; Street Play on 27-10-2021 & 29-10-2021 respectively; Sensitization Programme on Impact of Corruption on its Citizens on 30-10-2021 and Awareness Rally on 01-11-2021. A street play was organized by the Dept. of Extension to sensitize the students on violence against women.
- The students of college bagged many prizes in various competitions of Music and Heritage Items held on the first day of Panjab University Zonal Youth and Heritage Festival Zone-B held at Guru Gobind Singh Khalsa College for Women, Jhar Sahib on November 22, 2021. In Music items, the college secured first position in the Bhajan and third position in Group song category. Bhavika Anand of M.Sc. (FN) Ist Semester won Second position in Geet Category. In the category of Heritage items, Kiran of M.Sc. Clothing & Textiles Ist Semester won First Prize in Raasa Vatna and Naina of B.Sc. Fashion Designing Vth Semester won Second Prize in Khiddo Making. Vaani of B.Sc. H.Sc (Sem 1) bagged third position in debate competition organized under literature category on the second day. First prize in Dasuti won by Pooja of M.Sc. CT, First prize in Phulkari won by Anchal, First prize in Phulkari, Bagh won by Tanisha, B.Sc. F.D (Sem 3), First prize in Panjabi handwriting won by Simran Kaur of B.Sc. F.D. (Sem 3). Second prize in Crochet was received by Mitali, of F.D. (Sem 3), second prize in Histrionics won by Divyapreet of M.Sc. HDFR (Sem 3), second prize in Knitting won by Shashi, of M.Sc. CT, Second prize in Hindi handwriting bagged by Lavanya of B.Sc. Dietetics (Sem 5). Third prize in Pakhi making won by Babli of M.Sc F.D. (Sem 5) and Third prize in Hindi handwriting won by Shruti Saini of B.Sc Dietetics (Sem 5). Third prize in Rangoli won by Akanksha Rakheja of MSc HDFR (Sem 1) and third prize in photography won by Ishita of M.Sc. F.N. (Sem 3).

- Focusing on mental health amongst students and faculty, college organized an online workshop on "Internet to Inner-net " on December 15, 2021 with the aim of reducing stress, embracing positivity and improving concentration by making meditation a part and parcel of one's life. Mr. Narinder Anand and Ms. Shweta, National Coordinators , Youth empowerment group from Amrita University, Kerala were the key note speakers who conducted a very interactive session with inclusion of wonderful stories, awareness games and simple yet effective exercises for the mind.
- A team of students participated in Street Play Competition on the theme 'Say No To Plastic' under Swachh Sarvekshan 2022 organized by Municipal Corporation, Chandigarh on 27.12.2021.

#### 4. Analysis of Alumni Feedback

- Analysis of feedback forms filled up by alumni was done. As per alumni feedback the college is functioning in excellent manner however improvements were suggested on certain parameters like, improvement in infrastructure and maintenance of more cleanliness in college canteen. Some of them also suggested repairing of machines in college laboratories. They also suggested addition and upgradation of existing software meant for academic use. Also demanded more number of industrial visits and should introduce more short term courses to expand the college academic profile. Overall, the alumni feedback towards the college was satisfactory.
- As per the suggestions given by the Alumni, continuous actions have been taken to improve the overall functioning of college. In this regard new infrastructure has been added in the college like skill development Lab, E-pathshala of new Reasearch Block under RUSA grant, renovation of bathrooms, hostel mess and kitchen. The cleanliness committee has been communicated time to time to conduct cleanliness drive to maintain hygiene in the canteen premises. Repairing of machines in college lab was pending due to Covid 19, which has already been initiated and is under process. Purchase and update the software for various labs of college was also undertaken. Following Covid Protocols the students were given Digital platform to obtain skill training, internship and placement. Many students have utilized online platforms for financial dependence and earning good packages.
