WHAT IS ART ?

- Art is a diverse range of human activities in creating visual , auditory or performing artworks , expressing the authors imaginative , conceptual ideas or technical skills , intended to be appreciated for there beauty or emotional power.
- It is a way of expressing ones ideas through artwork.

WHAT IS INTUITION?

- Intuition is the ability to acquire knowledge without proof , evidence , or conscious reasoning or without understanding how the knowledge was acquired.

DEFINING INTUITION

- ✘ Steve Jobs called intuition ‘more powerful than intellect’ and Einstein said that ‘ the only real valuable thing is intuition’.
- ✘ Intuition is the pathway that helps us connect to those core values that shape our world from inside spaces so we can make sense of our outer world and be more truly ourselves.
- ✘ It is a soul connection and about our own inner knowledge.
- ✘ *Lisa Pressman (Painter)*
“Intuition in my studio practice is crucial. It is about trusting and not thinking. The thinking part comes later...”

ACCORDING TO PICASSO

- ✘ Intuition was like having a carrier pigeon with a message land on your balcony. “The important thing is knowing that the pigeon has arrived,” he said, “you don’t have to unroll the message and read it.”
- ✘ Intuition is such a crucial, essential ingredient for artists.

HOW TO DEVELOP YOUR INTUITION

- Find a place to sit comfortably.
- When you are relaxed and quiet, identify an event or situation that you'd like more insight about.
- Focus on the event or situation intently for a few minutes.

ART & RELIGION

DEFINING ART AND RELIGION:

- ✘ Art communicates **religious** beliefs, customs, and values through iconography and depictions of the human body.
- ✘ The foundational principle for the interconnections between **art and religion** is the reciprocity between image making and meaning making as creative correspondence of humanity with divinity.

WHY IS ART IMPORTANT TO RELIGION

- Art is important to religion in many different ways. Perhaps none has analysed how art and religion have influenced and affected each other through the ages
- Pictures painted of past events that help to bring back the feeling and importance of the past have been forgotten by some.
- This religious art has defiantly been around for centuries and plays an important role to the history of religion as well as the future.
