Volume 3- Issue 1- Year 2018

From the Principal's Desk

It is heartening to share that in the last one year the college witnessed accomplishment of a series of milestones. It received the first installment of Rs. 1 crore under RUSA infrastructure grant from MHRD which has been utilized in getting vitrified tactile tiles fixed to give a facelift to corridors at ground floor, administrative block, renovating library, enhancing facilities and making college disabled friendly. Getting Mid Day Meal started for tiny tots of our Chaitanya Nursery School from Chandigarh Administration; boosting students spirits and efforts in a big way in the direction of self employment through organizing Skill Development & Entrepreneurial Workshop finally culminating into College Carnival at a grand level, saving college funds by getting events sponsored like College Carnival, Athletic Meet & Aakriti and initiating Pre- PhD coursework from 2018-2019 are some of our other major achievements. This newsletter is just an insight into the amount of dedication shown by our team and the fruits of their efforts. Hope it makes an enjoyable read.

Prof. Sudha Katyal

Message

Sh. B.L. Sharma
Education Secretary,
Chd. Administration

I am glad to note that Government Home Science College is striving to achieve excellence year after year. It is overwhelming to see the college coming up not only in academics but also in terms of infrastructure, student activities and workshops. I wish to see the college achieve further heights.

Sh. R.K. Popli
Director Higher Education,
Chd. Administration

It gives me immense pleasure to see that in the last one year the college accomplished many milestones. The perseverance and hard work of staff and students shows in every aspect. My special congratulations to Principal, Prof. Sudha Katyal for being at the helm of affairs and bringing up the college to achieve greater heights. My best wishes to the entire Home Science family.

Facelift of the College through 1st Installment of RUSA Infrastructure Grant (Rs. 1 Crore)

This academic year 2017-2018 began with the accomplishment of the college becoming eligible for getting the first installment (Rs. 1 crore) of RUSA infrastructure grant of Rs. 2 crore from MHRD. RUSA aims to help in up gradation, renovation and purchase of equipments to help in providing quality higher education. The grant has been spent on giving a facelift to the corridors (at ground floor) and administrative block (1st floor) by getting vitrified tactile flooring and making it disabled friendly. Flooring of library has been made vibrant, colorful and sound absorbent with glass doors so as to prevent escape of cool air in summers. It has also been utilized in procuring digital podiums, interactive LED screens, visualizers, printers, projectors and latest computers for E-Pathshala & conference room. Though the time period of spending Rs. 1 crore was just 6 months; college was able to meet this deadline and became eligible for release of second installment of this grant amounting to Rs. 50 lakhs. Amount of Rs. 35 lakhs has been deposited with the Engineering Department of Chandigarh Administration for construction of research multimedia block.
