Masks (700) were prepared by The Cadets

With the **COVID-19** pandemic continuing to harrow everyone, especially the frontline workers tasked to mitigate the crisis, in a commendable gesture worthy of emulation, NCC Girl Cadets from 1 CHD GIRLS BN, had come forward with the initiative of locally stitched high-quality pleated cotton face masks for District Authorities. The first lots of masks have been handed over to Chandigarh administration. As per PMO's directions on "Mask India Movement" 1 CHD GIRLS BN, NCC Chandigarh, took initiative of stitching masks. It is a proud moment for them since the initiative was started by the girls themselves further motivated by the Commanding Officer of 1CHD GIRLS BN, for the cause of humanity. They are doing a great deal of work sourcing cotton clothes themselves and stitching high quality pleated masks. Since the lockdown has made availability of cotton scarce, NCC is working on sourcing the clothes to the girls.

Fit India Movement

17 February 2020

FIT INDIA Movement was launched on 29th August, 2019 by Hon'ble Prime Minister with a view to make fitness an integral part of our daily lives. The mission of the Movement is to bring about behavioural changes and move towards a more physically active lifestyle. In fit India movement NCC cadets play a major role. They took many campaigns, awareness programmes etc., cadets are motivating the people for being fit. In the awareness point view spread hashtags like #run4india in social media like twitter, WhatsApp etc., and also making some speeches about fit India, drawing, articles, etc., they told to do some exercise, yoga, and play some outdoor games to their neighbours. Due to the pandemic situation, there is no way to make some campaigns and awareness in common places. Because of that cadets are doing some yoga, jogging, running with neighbours or alone and making those activities as photos, videos and post it in the social media under guidance of higher officials. Cadets of government home science college sector -10 Chandigarh actively participated in this movement by doing various activities via online mode due to lockdown.

Diwali poster making competition

13 November 2020

Diwali is a festival that usually occurs in the winter season, thus the smoke of the crackers mixes with fog which generates smog. Smog is generally more harmful than smoke because it affects the lungs with cancer-causing molecules while enjoying Diwali we must keep in mind to not hurt the environment. Not only India, but the whole world is also facing serious environmental issues. Hence, Say No to Crackers this and every forthcoming Deepawali. This was the message conveyed by the cadets of government home science college sector-10 Chandigarh by making posters against crackers and they also posted it on their tweeter accounts.
