Awareness of Plastic Waste

Government Home Science College has contributed significantly in managing the Solid Waste Management. Various measures have been taken from time to time to generate awareness regarding plastic pollution and proper segregation of waste. Following provisions have been taken for plastic waste management and creating mass awareness even during these difficult times of COVID-19 Pandemic:

Organized a virtual rally

A virtual rally was organized to generate awareness regarding the need to avoid use of plastic carry bags. NSS volunteer raised slogan against plastic pollution. The volunteers were addressed on various topics like the use of plastic, the harm it causes and how to reduce and avoid the use of plastic.

Poster Making & Slogan Writing competitions

NSS Volunteers made illustrative posters and wrote slogans based on 'Say No to Plastic' and plastic pollution.

Organized a talk

A talk was organized with sweepers so as to make them aware regarding the proper segregation of waste and harmful effects of using plastic objects which adversely affects the environment.

Display of sign boards regarding segregation of waste

Various sign boards have been displayed in different areas around the college campus and hostels. The prints of wastes belonging to blue and green category have been pasted on the respective dustbin for easy segregation of wastes.

Dustbins have been installed according to waste texture i.e. Green and Blue

The college practices waste segregation process based on the type of the dustbin Colour (Green and Blue) as per the Solid Waste Management Rules, 2018. Both green and blue colour dustbins are placed at various areas around the college which includes main gate of the college, canteen area, college corridors, washrooms, UG & PG hostel. The faculty of the staff is coming with 50% staff and most of the staff members are keeping their own bottles, so waste generated in the college is less than 3 percent per month approximately. Both the hostels, mess and canteen areas are not functional due to COVID- 19 Pandemic, therefore, no plastic waste was generated.

Action Taken Report on “ from December–13.2.2021to15.12.2021 NSS Wing, Government Home Science College, Sector-10, Chandigarh

Government Home Science College, Sector-10, Chandigarh has contributed significantly in generating awareness through ‘Voting Awareness Programme’ in view of the Municipal Corporation Elections from December 13-15, 2021. Various activities were organized to disseminate awareness and significance of voting among masses. Following are the glimpses of various activities which were conducted during these days:

Pledge taking ceremony

The NSS Volunteers along with Programme Officers took pledge and promised to vote fearlessly and to uphold the dignity of free, fair and peaceful elections.

Quiz Competition on the topic ‘Tool of Democracy- Voting Rights’

NSS Volunteers participated enthusiastically and showcased their knowledge regarding their voting rights and responsibilities

Visit to Adopted Village ‘Khuda Ali Sher’

NSS Volunteers along with their Programme Officers visited Adopted Village Khuda Ali Sher and inquired about their current status of knowledge regarding MC Elections and also highlighted the significance of voting.

Essay Writing & Declamation Contest for spreading awareness regarding elections and significance of voting

The NSS Unit organised Declamation and Essay Writing Competition to create awareness regarding elections among the various stakeholders. The rationale of this event was to generate awareness among people regarding election manifesto, voting rights and democracy.

In the Declamation competition, the participants shared their views on media and elections in the modern world and provided insightful set of observations on how media can be used efficiently in the elections. They also talked about Election Manifesto and its in shaping the future course of any country. More than 50 students participated in this event with full enthusiasm.

Street Play on ‘Know Your Voting Rights’

NSS Unit organised Street Play on the theme ‘Know Your Voting Rights’. Through this play audiences were highlighted how their vote can play an important part in making the change

E-shram Portal in respect of registration of Unorganized Workers

23 December 2021

Government Home Science College organized an awareness programme for NSS Volunteers on the topic, 'Role of E-shram portal in respect of registration of unorganized workers. Mr. Paramjit Singh (Director, Regional Centre for Entrepreneurship Development) was invited to invigorate the mindset of our NSS volunteers on E-shram portal during a Seven Day Special NSS Camp on December 23rd, 2021.

Mr. Paramjit sensitized the volunteers regarding the role and significance of E- shram Portal and how it is beneficial for unorganized workers. He also highlighted that how NSS Volunteers can generate awareness and motivate unorganized workers to register themselves in the E-shram portal.
