

INSTITUTIONAL STRATEGIC PLAN 2025-2026

The institution has a well-established and proactive Internal Quality Assurance Cell (IQAC) that serves as a central mechanism for sustaining academic standards, quality enhancement, and administrative excellence. The IQAC plays a vital role in institutionalizing quality assurance strategies and best practices aimed at achieving holistic academic and organizational development in accordance with the vision and mission of the institution and the evolving paradigms of higher education.

VISION

The motto of the college, Knowledge for Service aims to provide comprehensive value-based education for developing higher order cognitive capacities thereby empowering women to become Atam Nirbhar by providing experiential, holistic, integrated, inquiry-driven learning experiences.

MISSION

- To strive for excellence in quality education with thrust on inclusivity and equality, sync with the changing global knowledge landscape
- To boost skill enhancement, capacity building and nurture innovation to develop an entrepreneurial ecosystem
- To focus on trans-disciplinary and inter-disciplinary frontiers of research
- To sensitize youth towards being socially responsible, morally upright and intellectually mature to serve the society

Through IQAC, the college devises a strategic plan in accordance with the vision and mission. The plan maps out the long-term goals the college wishes to achieve and the mechanism to be employed for the same. The broad areas of focus include:

- Effective Teaching and Learning Practices
- Environment and Sustainable Practices
- Infrastructure and Resources
- Extension and Outreach Activities
- Entrepreneurial Skill Development and Innovation

➤ Strategies to Promote Effective Teaching and Learning Practices

- To adopt learner-centric, outcome-based, and ICT-enabled teaching methodologies for enhancing academic effectiveness
- To promote experiential, participative, and interdisciplinary learning through projects, fieldwork, seminars, and practical training
- To strengthen continuous assessment, mentoring, remedial teaching, and feedback mechanisms for improving learning outcomes
- To organize faculty development programmes and training workshops for enhancing pedagogical and research competencies
- To encourage the use of e-content, MOOCs, blended learning, and digital resources for promoting self-directed learning and academic enrichment

➤ **Strategies to Promote Environment and Sustainable Practices**

- To conduct activities in collaboration with Indian Pollution Control Association (IPCA) for spreading awareness regarding Sustainable Plastic Waste Management
- To organize seminars, workshops, awareness campaigns, plantation drives in sync with this year global theme of "Ending Plastic Pollution Globally"
- To actively participate in the campaign mission LiFe (Lifestyle for Environment) to promote environmental awareness and sustainable practices through academic, extension, and outreach activities
- To strengthen collaboration among departments, clubs, and societies clubs including Environment Society – Harita, NSS, and NCC units to achieve Sustainable Development Goals (SDGs)

➤ **Strategies to Strengthen Infrastructure and Resources**

- To install Manual Fire Alarm system in UG hostel block (A & B) and PG hostel
- Waterproofing on roof top of UG hostel
- To strengthen campus security through installation of CCTV cameras in college campus and administrative/academic building
- Mounting of a display board on the auditorium building
- To upgrade ICT facilities, smart classrooms, laboratories, library resources, and digital learning support systems
- To enhance campus facilities, safety measures, and student support infrastructure for promoting holistic development and institutional efficiency

➤ **Strategies for Extension and Outreach Activities:**

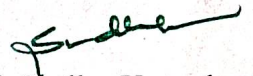

- To conduct outreach activities within the neighborhood communities, slum areas, Aanganwadi centers, Old Age Homes as well as nearby colonies and villages
- To educate locals in the surrounding communities and in the adopted village - "Khuda Ali Sher" about the issues of cleanliness, hygiene, health, nutrition, sanitation, as well as drug addiction, road safety, national integration, women's empowerment, skill development.
- Work in collaboration with various government and non-government departments and organizations to disseminate information about the latest developments in the field of agriculture, non-conventional energy, nutritional and personal hygiene and various welfare schemes such as Ayushman Bharat, Digital India and Beti Bachao Beti Padhao initiated by the Government of India to the masses.
- Various programmes like workshops, seminars, poster making, nukkad natak, puppet shows, rallies to be organized to promote Yoga Equity, Gender Sensitization, Women Empowerment, Sustainability, Innovation and Social Justice among various stakeholders.

Strategies to Boost Entrepreneurial Skill Development and Innovation:

- To organize regular Placement Drives, Capacity Building Workshops from experts, Peer and Alumni Learning Workshops, Panel Discussions of successful entrepreneurs, Webinars, Lectures and Demonstrations
- To organize Career Awareness and Resume Building Workshop for the students
- More internship avenues to be offered to increase placement opportunities
- Melas, Mega Exhibitions to be organized on the campus
- To organize awareness and sensitization sessions on Startup Building and Entrepreneurship Avenues for students under the aegis of Institution Innovation Council (IIC)
