

INSTITUTIONAL STRATEGIC PLAN 2024-2025

The institution has an active Internal Quality Assurance Cell (IQAC) that plays a vital role in promoting academic excellence and administrative efficiency. The IQAC formulates and implements quality policies and strategic plans for the overall development of the institution. It continuously monitors teaching-learning processes, curriculum delivery, student support services, and institutional activities to ensure quality enhancement. The cell also evaluates academic and administrative performance through regular reviews, feedback mechanisms, and internal assessments, thereby fostering a culture of continuous improvement and excellence in the college.

VISION

The motto of the college, Knowledge for Service aims to provide comprehensive value-based education for developing higher order cognitive capacities thereby empowering women to become Atam Nirbhar by providing experiential, holistic, integrated, inquiry-driven learning experiences.

MISSION

- To strive for excellence in quality education with thrust on inclusivity and equality, sync with the changing global knowledge landscape
- To boost skill enhancement, capacity building and nurture innovation to develop an entrepreneurial ecosystem
- To focus on trans-disciplinary and inter-disciplinary frontiers of research
- To sensitize youth towards being socially responsible, morally upright and intellectually mature to serve the society

Through IQAC, the college devises a strategic plan in accordance with the vision and mission. The plan maps out the long-term goals the college wishes to achieve and the mechanism to be employed for the same. The broad areas of focus include:

- Effective Teaching and Learning Practices
- Environment and Sustainable Practices
- Infrastructure and Resources
- Extension and Outreach Activities
- Entrepreneurial Skill Development and Innovation

➤ Strategies to Promote Effective Teaching and Learning Practices

- To conduct Annual Academic and Administrative Audits at the departmental level for ensuring quality assurance, transparency, and continuous institutional improvement
- To revise, restructure, and upgrade the existing curricula in alignment with the objectives, framework, and multidisciplinary approach envisaged under the National Education Policy (NEP) 2020

- To encourage faculty members to design, develop, and deliver e-content, digital learning resources, and MOOC courses in the field of Home Science for enhancing innovative teaching-learning practices
- To motivate students to actively enroll in and successfully complete online courses offered through the SWAYAM portal for promoting self-directed learning, skill enhancement, and academic enrichment

➤ **Strategies to Promote Environment and Sustainable Practices**

- To actively participate in and contribute towards the implementation of various flagship initiatives and programmes of the Government of India
- To organize and promote academic, extension, and outreach activities aligned with the Sustainable Development Goals (SDGs) through various departments, clubs, and societies, including Environment Society – Harita, NSS, and NCC units
- To promote and integrate the Indian Knowledge and Skill System through curriculum enrichment, research, skill-based education, and co-curricular activities.
- To encourage faculty members and students to undertake innovative, skill-oriented, and socially relevant academic activities and research initiatives

➤ **Strategies to Strengthen Infrastructure and Resources**

- To renovate Auditorium, Indoor Badminton Court and Hostel flooring.
- To install computer points, power points and electrical supply for cassette type AC in Library, Administrative Office, E-Pathshala, and Conference Room.
- Proposal for construction of Open Air Theatre in the campus.
- To improve ICT facilities to support, enhance and optimize the delivery of information.
- To improve the security on campus, grills to be installed in all windows on the ground floor and more cameras on the campus.

➤ **Strategies for Extension and Outreach Activities:**

- To conduct outreach activities within the neighbourhood communities, slum areas, Aanganwadi centers, Old Age Homes as well as nearby colonies and villages
- To educate locals in the surrounding communities and in the adopted village - "Khuda Ali Sher" about the issues of cleanliness, hygiene, health, nutrition, sanitation, as well as drug addiction, road safety, national integration, women's empowerment, skill development.
- Work in collaboration with various government and non-government departments and organizations to disseminate information about the latest developments in the field of agriculture, non-conventional energy, nutritional and personal hygiene and various welfare schemes such as Ayushman Bharat, Digital India and Beti Bachao Beti Padhao initiated by the Government of India to the masses.
- Various programmes like workshops, seminars, poster making, nukkad natak, puppet shows, rallies to be organized to promote Yoga Equity, Gender

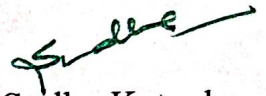

Sensitization, Women Empowerment, Sustainability, Innovation and Social Justice among various stakeholders.

➤ **Strategies to Boost Entrepreneurial Skill Development and Innovation:**

- To organize regular Placement Drives, Capacity Building Workshops from experts, Peer and Alumni Learning Workshops, Panel Discussions of successful entrepreneurs, Webinars, Lectures and Demonstrations
- More internship avenues to be offered to increase placement opportunities
- Melas and Mega Exhibitions to be organized on the campus
- To provide ample opportunities and platform beyond the college walls for students to display their innovation, creative skills and products
