

## INSTITUTIONAL STRATEGIC PLAN 2026-27

The institution has established a proactive and dynamic Internal Quality Assurance Cell (IQAC) that functions as the nodal agency for sustaining quality and fostering continuous institutional improvement. The IQAC plays a vital role in institutionalizing quality assurance mechanisms and best practices across academic, administrative, and extension activities through systematic planning, monitoring, evaluation, and stakeholder participation. Guided by the vision and mission of the institution, the Cell promotes a culture of excellence, accountability, innovation, and learner-centric education while aligning institutional processes with emerging trends, regulatory frameworks, and evolving paradigms of higher education.

### VISION

The motto of the college, Knowledge for Service aims to provide comprehensive value-based education for developing higher order cognitive capacities thereby empowering women to become Atam Nirbhar by providing experiential, holistic, integrated, inquiry-driven learning experiences.

### MISSION

- To strive for excellence in quality education with thrust on inclusivity and equality, sync with the changing global knowledge landscape
- To boost skill enhancement, capacity building and nurture innovation to develop an entrepreneurial ecosystem
- To focus on trans-disciplinary and inter-disciplinary frontiers of research
- To sensitize youth towards being socially responsible, morally upright and intellectually mature to serve the society

Through IQAC, the college devises a strategic plan in accordance with the vision and mission. The plan maps out the long-term goals the college wishes to achieve and the mechanism to be employed for the same. The broad areas of focus include:

- Effective Teaching and Learning Practices
- Environment and Sustainable Practices
- Infrastructure and Resources
- Extension and Outreach Activities
- Entrepreneurial Skill Development and Innovation

### ➤ Strategies to Promote Effective Teaching and Learning Practices

- To strengthen ICT-enabled tools, smart classrooms, and digital learning resources in the teaching-learning process.
- To organize of seminars, workshops, expert lectures, webinars, and faculty development programmes for academic enrichment.
- To encourage experiential, participative, and interdisciplinary learning through projects, field visits, practical training, and group activities
- Continuous assessment and timely feedback mechanisms to monitor student progress and enhance learning outcomes.

- To ensure provision of remedial classes, mentoring, and academic support for slow and advanced learners.
- To promote research orientation, innovation, and critical thinking among students and faculty

#### ➤ **Strategies to Promote Environment and Sustainable Practices**

- To strengthen the initiatives undertaken under the project DROP (a CSR initiative of Kia India) with Indian Pollution Control Association
- To foster active participation of students and faculty to sensitise the masses regarding the long terms benefits of recycling, waste segregation and waste reduction
- To strengthen interdisciplinary collaboration among departments, student clubs, and institutional bodies, including the Environment Society–Harita, NSS, and NCC units, for promoting sustainability initiatives and advancing the Sustainable Development Goals (SDGs)
- To organize seminars, workshops, awareness campaigns, and plantation drives for enhancing environmental responsibility under Swachh Bharat Abhiyan

#### ➤ **Strategies to Strengthen Infrastructure and Resources**

- To renovate the Visitor's Room in the UG Hostel
- To renovate the outer passage areas on both sides of the New and Old Wing buildings of the UG Hostel
- To develop a basketball court within the college campus
- To install CCTV cameras in LTs, classrooms, laboratories and UG hostel (Block A and B)
- To streamline the Annual operation/running maintenance of Fire Fighting system and booster
- To strengthen research and innovation facilities by providing access to updated equipment, digital resources, and collaborative learning spaces

#### ➤ **Strategies for Extension and Outreach Activities**

- To promote volunteerism, civic responsibility, leadership qualities, and ethical values among students through participative community service activities
- To facilitate capacity-building and livelihood-oriented initiatives for marginalized and underprivileged sections of society through training, counselling, and awareness programmes
- To organize workshops, seminars, health camps, rallies, awareness campaigns, field visits, and cultural programmes for promoting yoga, gender sensitization, sustainable practices, constitutional values, innovation, and social justice
- To create awareness in Khuda Ali Sher and nearby communities regarding health, hygiene, sanitation, women empowerment, skill development, and environmental sustainability
- To encourage active participation of students and faculty in extension and community engagement programmes through NSS, NCC, clubs, and departmental initiatives for experiential learning and holistic development

➤ **Strategies to Boost Entrepreneurial Skill Development and Innovation:**

- To provide wider institutional, industrial, and community platforms for students to showcase their innovative ideas, research projects, products, and creative talents at regional, national and global level
- To organize Placement Talks, Workshops by the leading Experts from the Industry under IEP Cell
- To organize workshop in collaboration with RCED (Regional Centre for Entrepreneurship Development) for budding Shepreneurs
- To Organize Workshop on the Use of Artificial Intelligence in Academic Research
- To encourage entrepreneurial thinking, self-employment opportunities, and start-up culture through mentorship, incubation support, industry interaction, and entrepreneurship development initiatives
- To strengthen internship opportunities, industrial visits, field training, and industry-academia collaborations for promoting experiential learning, practical exposure, and improved career prospects
