## Principal's Desk

### *Dear Students*

It gives me immense pleasure to welcome you to Government Home Science College, a premier institution in Northern India, distinguished for its academic rigour and sustained commitment to professional excellence. At our college, education extends beyond the classroom through a thoughtfully curated, **skill-oriented curriculum** that equips students with both **intellectual depth and practical competence**. Alongside academics, we emphasize holistic development through **robust student-centered support systems**, ensuring that learners grow into competent, confident, and socially responsible individuals.

In consonance with the guidelines of **National Education Policy 2020**, the vision and mission of the college is to equip the students with **market/industry relevant skills, research orientation and innovation driven learning to develop an entrepreneurial ecosystem**. The rationale is to bridge the gap between **skills required by the industry and the skills students acquire during their academic training in the institute**. This commitment is reflected in our seamless integration of **traditional classroom teaching with experiential and practice-oriented learning**. Through project-based

assignments, fieldwork, internships, research initiatives, and other hands-on engagements, we cultivate an academic environment that encourages **critical inquiry, innovation, and an entrepreneurial outlook**.

I am delighted to share that our institution has been conferred the prestigious **NAAC Grade A++ by the National Assessment and Accreditation Council**. This distinguished recognition reflects the sustained dedication of our faculty, staff, and students to the highest standards of academic excellence. It affirms our commitment to **quality education, robust infrastructure, innovative pedagogy, and meaningful community engagement**.

This achievement is further complemented by our consistent top ranking in **NIRF India Rankings for seven consecutive years in a row**. In 2025, we reaffirmed our standing by securing the **35<sup>th</sup> position nationally by the Ministry of Education, Government of India**.

As you commence this academic journey, I extend my sincere wishes for your continued success, growth, and the attainment of new milestones.

*With Blessings*  
*Principal*  
*Prof. Sudha Katyal*

## Profile of the College

Government Home Science College, a distinguished institution in the city, is set amidst a sprawling **17-acre campus with a built-up area of 279,919 sq. ft.** The campus is beautifully landscaped with well-manicured lawns, providing a serene and eco-friendly environment. It is equipped with spacious lecture halls, smart classrooms, and cutting-edge laboratories, creating an ideal setting for both teaching and learning. Located on Madhya Marg, the college enjoys a strategic position near **Panjab University and the Directorate of Higher Education, Chandigarh**, ensuring seamless integration of academic and administrative functions.

The college is deeply committed to fostering an environment conducive to the growth and development of academic excellence, while addressing the evolving professional and specialized needs of women in today's society. In August 2023, we were honoured with the prestigious **NAAC A++ grade** following a rigorous evaluation by **the National Assessment and Accreditation Council (NAAC)**. This significant achievement underscores our steadfast dedication to educational excellence and our continuous efforts to advance both academic and institutional progress. The NAAC A++ grade recognizes our commitment **to holistic development, the adoption of innovative teaching methodologies, research excellence, and sound governance.** It also affirms our shared vision of creating a dynamic learning environment that promotes **intellectual growth, nurtures critical thinking, and cultivates entrepreneurial skills among our students.**

The college has consistently upheld its legacy of excellence, **securing the 35<sup>th</sup> rank at the national level for the seventh consecutive year, as per the NIRF India Rankings, 2025 released by the Ministry of Education, Government of India.** The rankings are based on comprehensive evaluation across key parameters, including **Teaching, Learning and Resources, Graduation Outcomes, Perception, Outreach and Inclusivity, and Research and Professional Practices.** Over the past three years, the college has consistently ranked among the **top 55 institutions in India, and among the top 100 institutions for the last seven years.** This recognition is a testament to the college's

commitment to skill-oriented education, cutting-edge research, and innovative programs, all aimed at fostering the holistic development of our students.

In consonance with the guidelines of **National Education Policy 2020**, the vision and mission of the college is to equip the students with market driven skills, focus on research and nurture innovation to develop an entrepreneurial ecosystem. The rationale is to bridge the gap between **skills required by the industry and the skills students acquire during their academic training in the institute**. The college's undergraduate, post-graduate, and diploma courses are designed to meet the marketplace's challenges, demands, and changing technologies. The curriculum of the college addresses **specialized professional needs of contemporary women by enhancing their higher order cognitive capacities, critical thinking and fostering the unique capabilities of each student**.

These diverse areas of specialization are specifically designed to equip students with the necessary skills and training to seize a wide range of employment opportunities. Graduates and postgraduates are successfully **placed as dietitians in hospitals, industrial settings, the hospitality sector, and health/fitness clubs. They also find roles as special educators, teachers, counsellors, sales managers, apparel and interior designers, consultants, and field workers in extension education and community development initiatives**. In this way, Home Science empowers women across multiple dimensions—personal, professional, social, entrepreneurial, and economic.

College is an approved **Research Centre for Ph.D.** in Home Science and envisages a robust ecosystem for promoting research and innovation. In this direction, the college has set up a New Multimedia Research Block, E-Pathshala, E-lounge, State of the art Laboratories and Fully Automated Library with access to e-journals.

Participative and experiential pedagogy forms an integral component of the college's teaching-learning framework, wherein faculty members employ a **diverse array of innovative methods, including hands-on skill training, internships, field visits, and research projects. This dynamic approach fosters a thriving ecosystem of innovation and entrepreneurship**. In an effort to nurture an imaginative, proactive, and future-oriented generation, the college places strong emphasis on cultivating entrepreneurial abilities. In alignment with this vision, the college has established the '**Swavalamban Corner**'—a **pioneering initiative on campus dedicated to the display and sale of student-made products**. In keeping with the objectives of the National Education Policy 2020, creativity, innovation, and entrepreneurship lie at the core of these initiatives.

The College also runs a laboratory Nursery School, Chaitanya, with 75 students on rolls, under the Department of Human Development to impart practical training to its students. The other major departments of Home Science are also having well-equipped State-of-the-Art laboratories.

The college and hostel buildings, set amidst spacious and aesthetically designed surroundings, provide a peaceful yet intellectually stimulating environment for students. The campus is well equipped with a wide range of indoor and outdoor sports and fitness facilities, accommodating learners of all interests and abilities. The faculty comprises highly qualified and experienced educators who are dedicated to delivering academic excellence. In addition to their teaching responsibilities, faculty members actively participate in national and international conferences, seminars, and workshops, and contribute meaningfully to various technical and professional bodies associated with the field of Home Science.

The college provides facilities that support academic excellence, cultural enrichment, and physical well-being, fostering the holistic development of students and preparing them to meet future challenges with confidence. The institution is dedicated to nurturing young women into skilled, competent individuals with strong moral and social values, empowering them to contribute meaningfully to national development.

In alignment with the United Nations' Sustainable Development Goals (2030 Agenda), the institute has undertaken significant initiatives to foster environmental awareness and promote sustainability. The college also actively advocates, supports, and implements flagship programs of the Government of India, such as **Aatma Nirbhar Bharat, Vocal for Local, Make in India, and Poshan Abhiyaan**. These initiatives are recognized as best practices of the institution, aimed at transforming young women into skilled, value-driven individuals. By nurturing their potential, the college aspires to empower them to **become employment generators rather than employment seekers**.

## ALUMNI ASSOCIATION

Since its founding in 1961, our college has celebrated the achievements of its distinguished alumni, who remain closely connected through the Home Science Alumni Association. Guided by seven dedicated office-bearers, the Association provides financial aid, academic collaboration, and mentorship to current students. Our alumni excel as dietitians in leading hospitals, educators and administrators in Home Science institutions, and innovators running ventures such as Tea Kombucha and Diet Aura. Committed to giving back, they fund scholarships for underprivileged and meritorious students and sponsor awards at college events. Regular workshops, demonstrations, and lectures led by alumni enrich the curriculum, inspire ambition, and foster meaningful professional networks.

## INNOVATION, ENTREPRENEURSHIP & PLACEMENT CELL

College firmly believes in ‘Nurturing Human Excellence through Entrepreneurship.’ In this context, the IEP Cell has been constituted with the goal of establishing an inclusive start-up ecosystem within the institution that promotes the entrepreneurial ventures of aspiring entrepreneurs, college students, and alumni. Students receive assistance from IEP Cell for developing and growing their micro-businesses into unicorn start-up systems. IEP cell boosts digital marketing, incubation centres, and businesses that will generate jobs opportunities.

Several reputed organizations participated in the drive, offering diverse career and internship opportunities across multiple sectors. The participating recruiters included Albasir Industries, Meena Bazar, Fortis Hospital, Fitelo Diet Consultancy, Fitwiser, Health Direct Nutriva Consultants, Fitness Institute, Bachpan NGO, State Council of Educational Research and Training (SCERT), Vardhaman Industries, Usha Industries, and Tynoor. The candidates were interviewed for diverse roles of Dietitians, Counsellors, Fabric Designers, Faculty, Digital content creators, culinary specialists, and Merchandisers. Many students were offered internships with stipend by Albasir Industries, Fitelo Diet Consultancy, Health Direct Nutriva and Fabbat Boutique with stipend amount ranging from Rs. 15,000-20,000 per month. The placement drive served as an excellent platform for students to interact with recruiters, explore career pathways, and gain valuable exposure to professional opportunities.

## DIET CLINIC

The Diet Clinic, established by the Department of Foods and Nutrition, provides free nutritional counselling on the college campus. With the goal of meeting the nutritional needs of all segments of society, it provides insight into running a diet clinic, conducting a diet counselling session, and gaining first-hand experience in an entrepreneurial setting. Aside from weight reduction and control counselling, diets are developed for clinical problems and healthy eating patterns for all age groups. It also teaches students how to utilize Diet Cal software to calculate dietary intake and the nutritional value of items. It is a free, voluntary program provided by the Department of Foods and Nutrition that operates both online and offline.

## CAFETERIA

As part of the curriculum, the Department of Foods & Nutrition operates a cafeteria once a week under Institutional Food Service Management. The operation of the cafeteria promotes entrepreneurial skill development and capacity building among students. Low-cost nutritional dishes are developed and prepared in the laboratory, and sales are held at the college. The cafeteria's activities include standardizing, developing, and organoleptically evaluating value-added recipes. The cafeteria seeks to provide students with first-hand practical experience in running a food service institute and motivate them to launch their own ventures.

## EARN WHILE YOU LEARN

To uphold the spirit of 'Earn while you Learn' college actively promotes entrepreneurial skills among students through a range of structured activities and programs. Students showcase their entrepreneurial talents by setting up stalls to sell their own creative and innovative products. These activities are supported by the various clubs and societies of the departments which provide guidance and a platform for students to develop and launch their business ideas. Through this process, students gain hands-on experience in areas like product design, marketing, and customer interaction—skills that are essential for running a successful start-up. It also helps them turn classroom learning into real-world practice. The event encourages creativity, self-reliance, and confidence. To further motivate students, those who launch digital start-ups are specially recognized and felicitated. Overall, these opportunities help students build practical entrepreneurial skills and inspire them to explore their potential as future business leaders.

## AASHA COUNSELLING CELL

To address students emotional and psychological well-being, the college has established the Counselling Cell – Aasha, led by trained faculty counsellors. The cell offers both in-person and online support, providing a safe and confidential space for students to share their concerns. It encourages self-reflection and introspection, empowering students to understand themselves better and find constructive solutions to their challenges. With empathy and care, counsellors help students develop essential life skills, positive attitudes, and emotional resilience. By facilitating open dialogue and personal growth, the cell plays a vital role in nurturing well-rounded individuals and promoting holistic well-being.

## AAKRITI

“Aakriti”, the signature annual fashion show by the Department of Clothing and Textiles, is a vibrant launchpad for next-generation designers to unleash their creativity and bold vision. This much-anticipated spectacle showcases stunning, original collections by students. From eco-conscious fashion and cutting-edge textiles to timeless craft traditions, each collection tells a compelling story—bridging innovation with heritage. Each presentation reflects not only the shifting landscape of the global fashion industry but also the designers’ thoughtful engagement with both contemporary trends and cultural narratives. More than a runway event, "Aakriti" is a powerful platform for brand building, industry networking, and turning fresh talent into fashion’s future trailblazers.
