

Trainer - Learning & Development

Fresher | Full-time | Bengaluru | Immediate joiners preferred

The Role

Start your career in Learning & Development. You will help build and deliver training that makes people

better at their jobs - across behavioural skills, sales, leadership, operations and academics. You will learn from senior trainers, and you will be in front of a room early.

What You Will Do

- Facilitate and deliver classroom, virtual and blended sessions
- Build the content - decks, activities, role plays, assessments
- Work with HR, Sales, Operations and Academic teams to pick up training needs
- Run the training calendar - scheduling, attendance, records, reports
- Collect feedback and help measure whether the training changed anything

What You Need

- Graduate from a Top 50 NIRF-ranked institution, any discipline - **MUST**
- Strong spoken and written communication; confident addressing a group
- Real interest in teaching, coaching and working with people
- Able to work extended hours, including weekends, when training schedules demand it

What You Get

- Exposure across sales, leadership, behavioural and academic training
- A clear path into a Learning & Development, Talent Development career

Compensation

- **6,00,000 (Six Lakhs)** per annum - Fixed

Location - Bannerghatta, Bengaluru - Work From Office
